While a permit is highly recommended for this type of use, it is not required. Individuals or unorganized use such a group of County residents looking to play for recreational exercise that would like to guarantee court availability or play for longer than one hour, should request and pay fees for use at www.ActiveMontgomery.org.

Exceptions to only half of the courts being reserved by permit may be granted for approved tournament use only on a case-by-case basis by the CUPF Director or designee.
11. Tournament use is managed through the Large Event Application Process of the Office of Community Use of Public Facilities. Exceptions to only half of the courts being reserved by permit may be granted for approved tournament use only on a case-by-case basis by the CUPF Director or designee.
12. Permit holders for use of outdoor courts have priority use over walk-on use by County residents during their exact scheduled time as shown on permit for specific court(s).
13. Permit holders may use only the courts assigned to them and are not permitted to go onto any court prior to their permitted court time. Warming up on empty courts is prohibited.
14. Permit must be in permitholder's possession at the court site. Permit holder must be onsite.
15. All permit holders must clean and vacate the courts as soon as their permitted time has ended. Any player remaining on the court past their permitted time will be charged for another hour of use.
16. Players must be courteous to other players and to facility staff.
17. Unattended children are not allowed within the facility.
18. Amplified sound such as bullhorn, music, etc. is strictly prohibited.

21. Any trash generated by the permitted use must be bagged and removed before leaving the court.
